

THE SUREFIRE NO-HASSLE GUARANTEE

We'll do what it takes to keep your SureFire gear running smoothly. SureFire warrants that if you—our customer—purchase one of our products, and we determine that it is defective in material and/or workmanship during your lifetime, we will repair or replace it—no hassle! Rechargeable batteries and chargers are warranted for two years from the date of purchase. SureFire hearing-protection products are warranted for 90 days from the date of purchase. Our warranty does not cover consumables or normal wear-and-tear, or damage resulting from abuse, alterations, unauthorized repairs, or use contrary to SureFire's user manuals. To help protect your investment SureFire offers reasonable rates to repair damage to our products not covered by our warranty, such as a core rebuild for a suppressor damaged by improper use. You will be provided with a quote for approval before work begins.

STANDARD DISCLAIMER

Except as specified above or prohibited by applicable law: all express or implied conditions and warranties, including, without limitation, any implied warranty or condition of merchantability or fitness for a particular purpose, or accuracy of any informational content, are hereby excluded and disclaimed by SureFire; and in no event will SureFire be liable for any special, direct, indirect, consequential, incidental or punitive damages howsoever arising and regardless of the theory of liability, even if advised of the possibility of such damages. Products, prices, availability, specifications, and offers are subject to change or cancellation at any time without notice.

WARRANTY CLAIMS

For claims, contact Customer Service at 800-828-8809 or 714-545-9444 to obtain a Return Merchandise Authorization number (RMA#). Then package the unit carefully and send to (no CODs):

SureFire, LLC.
Repairs Department, RMA# _____
17680 Newhope, Suite B
Fountain Valley, CA 92708

SureFire will pay reasonable shipping costs to return the unit to you.

All performance claims tested to ANSI/NEMA FL1-2009 Standard.

USER MANUAL

EDCL2-T

GET THE BEST FROM THE BEST

Your SureFire illumination tool has been designed and manufactured to provide years of reliable service. Please review this manual to ensure optimal performance.

LOCKOUT TAILCAP (US PAT. RE40125)

Most SureFire illumination tools feature a lockout tailcap, which prevents accidental activation during storage or transport. The tailcap may need to be enabled prior to light operation.

To **enable**, rotate tailcap clockwise until light activates when tailcap pushbutton is pressed.

To **lock out tailcap**, rotate counterclockwise until light will not activate when pushbutton is pressed.

LIGHT OPERATION

Press lightly for the low output or press fully for the high-output. Twist clockwise for constant on activation.

BATTERY REPLACEMENT

Most SureFire illumination tools ship preloaded with batteries. To load or replace batteries:

1. Unscrew head counterclockwise and remove.
2. Remove old batteries and dispose of properly.

3. Insert two new 123A lithium batteries with their positive (+) terminals oriented forward.
4. Replace head by screwing on clockwise. Press pushbutton (with tailcap enabled) to test.

⚠ WARNING

Use of substandard batteries can cause injury or property damage. Visit www.surefire.com/batterysafety.

BATTERY INFORMATION & WARNINGS

For complete battery information and warnings, reference the enclosed BATTERY INFORMATION / WARNING insert in your illumination tool's original packaging or visit www.surefire.com/batteries.

MAINTENANCE

Wipe with a clean, dry cloth. For tips on maintaining your SureFire illumination tool, visit www.surefire.com/faqs-maintenance.

ACCESSORIES

SureFire makes a full line of accessories for most of its illumination tools. For a complete listing, visit www.surefire.com/parts-accessories.
